

Dear Mamma - I will write a little
while the pictures are drying. I
sure am sorry you have had
that pain in your back - I hope
its all right now - I feel pretty
good all but my feet & they
hurt all the time - Gertrude
is sewing for the kids she plans
sure to go along the last of the
month - As soon as she goes - Bill
& I are going to clean house &
then I want you & Aunt J - to
come over for a visit - I got a
letter from June yesterday & one
from Mildred They both have been
sick - Mildred said she just got
up because they had a wedding
to take & she felt awful weak
& shaky - June thinks its her
nerves - She has been keyed up
with that trip & school beginning

and everything - I am
enclosing an "adv" I found
in a paper thought you &
Aunt J - might get rich you
have so many old letters -
It sure is warm today I
finished the ironing this
afternoon - I must
quit now and trim
the pictures - Sure hope
you are feeling good -
I'm glad you got someone
to pick the grapes
